.....

What art activities have you taken part in?

Stick in pictures of you taking part, draw what you did or write about it here. Ask an adult to help if you get stuck.

B. Find Out

You need to find out
about at least one
artist and their work.

An artist is anyone who does a creative activity, such as painting, playing a musical instrument, making a sculpture, designing costumes, writing stories or anything else you can think of.

About an artist

What is the artist's name?

What sort of art do they do?

How did you find
out about them?

Did you use the
internet, a book
or meet them in
person?

What did you find out about your artist or artists?

Stick in pictures, draw something or write about what you found out. Ask an adult to help if you get stuck.

C. Share

Now share what you have enjoyed
and learnt as part of your
Arts Award Discover.

Think about what you are going to share and who are you going
to share it with. You can share your favourite bit, the bit you
found most difficult or all of your Arts Award Discover!

Who did you share your Arts Award Discover with?

Perhaps write about and include photos or a drawing of you
sharing your work. Tip: You can share with your family,
friends, class, or anyone else you like.

You can also ask an adult to share your work with us on social media [@birdhousetheatre](#)

Fill in your details and return your completed log book to us to receive your Discover Arts Award certificate.
